

Northrop Grumman Innovation Systems Inc.
Launch Vehicles

QUALITY PROVISIONS STANDARD TEXT CODES	
TITLE	NUMBER 0163.2
RECORDS RETENTION REQUIREMENTS – 7 YEARS	DATE: 8/21/15
<p>The supplier shall maintain objective evidence (e.g., work packages, inspection records, Certificates of Conformance/Compliance from subtier suppliers, outside process certifications, etc.) that verifies that the requirements of this order have been satisfied. The records shall be maintained in a safe and accessible location for a period of seven years after completion of this purchase order or subcontract. The Supplier shall notify the Northrop Grumman Purchasing Agent when the seven year retention requirement has been met to allow Northrop Grumman to make a disposition of the materials prior to disposal.</p>
